MATERIAL PORTFOLIO

Various metal-bearing materials available for global supply.
Specifications, quantities and pricing to be confirmed per transaction.

No.	MATERIAL NAME	PHOTO (Reference Material Photo)	DESCRIPTION	TYPICAL COMPOSITION (As Reference)	PHYSICAL FORM	PACKING	AVAILABLE QUANTITY	SUPPLY PROGRAM
1	**Copper Sand (Copper)**		Copper-bearing sand from mineral processing.	**Cu 30 – 45%** (Other elements per lab)	Sand / Powder	Jumbo bags	Available	Spot / Monthly
2	**Copper Sludge (Copper)**		Copper-bearing sludge from processing.	**Cu 40 – 55%** (Other elements per lab)	Sludge / Semi-dry	Jumbo bags / Drums	Available	Spot / Monthly
3	**Nickel Sludge (Nickel)**		Nickel-bearing sludge from processing.	**Ni 15 – 25%** (Other elements per lab)	Sludge / Semi-dry	Jumbo bags / Drums	Available	Spot / Monthly
4	**Cobalt**		Cobalt-bearing material. from processing.	**Co 9%** (Other elements per lab)	Powder / Granules	Jumbo bags / Drums	Available	Spot / Monthly
5 Spent Catalyst	**NiMo (Nickel Molybdenum)**		Spent hydrotreating catalyst (NiMo).	**Ni 2 – 8%** **Mo 10 – 20%** (Other elements per lab)	Granules / Powder	Jumbo bags / Drums	Available	Spot / Monthly
	Platinum (Pt)		Spent catalyst containing platinum group metals.	**Pt 0,5%** (Other elements per lab)	Powder / Granules	Jumbo bags / Drums	Available	Spot / Monthly
	Primary Reformer (Nickel)		Spent primary reformer catalyst (Nickel based).	**Ni 15%** (Other elements per lab)	Granules / Solid	Jumbo bags / Drums	Available	Spot / Monthly
	Secondary Reformer (Nickel)		Spent secondary reformer catalyst (Nickel based).	**Ni 7 – 9%** (Other elements per lab)	Granules / Solid	Jumbo bags / Drums	Available	Spot / Monthly
	CoMo (Cobalt Molybdenum)		Spent catalyst CoMo.	**Co 9%** **Mo 6%** (Other elements per lab)	Granules / Powder	Jumbo bags / Drums	Available	Spot / Monthly
	NiW (Nickel Wolfram)		Spent catalyst NiW.	**Ni 5 – 20%** **W 5 – 30%** (Other elements per lab)	Granules / Powder	Jumbo bags / Drums	Available	Spot / Monthly
10	**CuZn**		Copper Zinc bearing material.	**Cu 35 – 40%** (Other elements per lab)	Granules / Powder	Jumbo bags	Available	Spot / Monthly
11	**Methanator**		Methanator catalyst material.	**30%** (Other elements per lab)	Granules / Pellet	Jumbo bags / Drums	Available	Spot / Monthly
12	**Zinc Oxide (ZnO)**		Zinc oxide material.	**ZnO 40 – 50%** (Other elements per lab)	Powder	Jumbo bags / Drums	Available	Spot / Monthly
13	**Ferro**		Ferro material.	**50%** (Other elements per lab)	Granules / Powder	Jumbo bags	Available	Spot / Monthly
14	**Vanadium**		Vanadium material.	**V 3%** (Other elements per lab)	Powder	Jumbo bags / Drums	Available	Spot / Monthly

ANALYSIS & VERIFICATION

- Assay / ALS, SGS, CCIC or mutually agreed independent laboratory.
- Product photos, loading evidence and supporting export documentation can be provided.
